General Business:

Thanks to members who have taken new positions.

Autumn Show – Just over 3 days to setup on Friday 15th March 1:00pm - Saturday 16th & Sunday 16th March.

Please come along & help we will be short of workers, it is your society support it. The Work Book is on sign in table please put your name down even for a few hours.

Tables will be set up for plants while helping to setup the rest of hall No benching until setup is finished

Don't forget all members & non-members benching and or selling need to register & sign the Fire Ant

Register when they arrive, a table will be setup near the entry to sales & benching area

Need flowering plants in sales & on benches, also cut flowers for Floral Art.

Bring along something for Judges supper Friday night

Sales & Benching tag available on table

Paying plant sales money straight into member's bank accounts Kevin has forms for your details.

On Saturday & Sunday it would be good if members parked away from venue to allow the public to park closer as we want them to carry out lots of plants they have purchased.

Reminder - There has been a very poor response from judges to judge here on meeting nights, some nights only

1 judge has nominated so judge please help if you can. There seems to be 2 lists of judges will need to sort this out. Val Reid would like to be added.

2019 is QOS's 85th year the committee is looking to hold a luncheon in June – what are the members views on this. Will need to check dates that don't clash with other society shows.

AOC Conference 2021 – Ken Haase spoke about the conference – decision has been made to hold it at Logan Metro Sports Centre Crestmead, from the 1st to 5th September. They will do all the catering has plenty of parking. Will be applying for grants & forming sub-committees. A letter will be going out to all societies soon to keep them up to date. There is accommodation within an 8 km radius.

There are orchid shows on for the next few weeks some flyers on table West Brisbane, EDOS BOS, Ipswich

2018 AGM minutes – were published in April 2018 Bulletin Moved by Secretary that Minutes of Annual General Meeting of 2018 to be received and adopted. Seconded by Amanda O’Rielly

Barry Kable presented his President Report for 2018.

Another year has disappeared since our last AGM. We are now into the society’s 85th year, quite a milestone. I would have hoped by now some of you would be thinking and talking among your selves about who would be willing to take on major and minor position to run and steer QOS into the future. This is your society and those of you who have been members for several years now have a responsibly to step up. It is not fair to expect the same people to do major jobs year in and year out.

Having said that your current committee with dedication and commitment has steered QOS through another successful year. The 2018 Autumn Show at Mt Coot-tha over 2 days of Easter was well attended by the public and well supported by our members and other society members both benching and selling plants. Due to Mt Coot-tha not allocating us a date for the Spring show we trailed a new venue the Brisbane International Shooting Centre at Belmont Shooting Complex, this proved to be much more user friendly both in room inside and much more parking space without the hill to walk up. We had a great Spring Show thanks to all who supported the move. The committee with your approval has committed to the Belmont complex for our shows, we are about to stage the Autumn Show and don’t have to work over Easter. Social media is proving to be a great way to promote our shows and you all can and should help with this.

QOS members again took tasks to support Orchid Societies of Southeast Queensland display at the Ekka, I truly believe this is a wonderful way to showcase our love of orchids to the wider community.

Our 2018 Christmas Party which is heavily subsidised is a member benefit and I am pleased to say it was well supported by members and affiliated society members. The society made a sizable charity donation to the Brisbane Children’s Hospital Foundation.

Moving forward late last year we applied for a Community Grant to purchase a Barcoding system which should help sales run smoothly.

During the year we welcomed some new members we hope your association with us will be long and lasting. In closing I would like to sincerely thank all our members and affiliated societies and sponsors for your support and work over the last year it all helps to keep QOS strong. I look forward to this our 85th year, sharing good fellowship and enjoying our love of Orchids.

Moved by Barry Kable that the 2018 President’s Report be received and adopted.

Seconded by Keith McGinn

Kevin Horsey presented Treasure Report for Year ending 30th December 2018.

Kevin said the society is in a sound financial

Income for year	68,112.74
<u>Expenditure for year</u>	<u>68,495.25</u>
Excess Expenditure over Income	382.51

Keven asked if there were any questions.

I therefore move that the audited financial report for 2018 be accepted. Seconded by Val Reid

Treasurer Kevin Horsey moved that Peter Robinson remain as our Auditor.

President Barry Kable to declare all positions vacant.

Thanked out going Office Bearers and Committee, Maya Westphal & Greg Molloy are retiring from Committee. Ken Haase was asked to take the chair, he proposed a vote of thanks to outgoing committee they have done a good job this. Barry Kable was re-elected as President. He then took over the Election of Office Bearers and Committee for 2019. Nominations already received by the Secretary were read out and accepted.
