Don't miss the first big orchid event of the year...

GIOF International Orchid Fair Queensland
A Heart felt Plea

The books are being audited, the year is almost done The search for Office Bearers and Committee has begun The Editor of the Newsletter is trying to dictate An article he knows the members, to a man, will hate An article exhorting them “Step up and volunteer, Take a turn at working for the group, if only for a year” The AGM is coming up but chances are remote We’ll be swamped by nominations when we have to cast our vote. This special meeting night will draw few members there to hear Who will manage our activities throughout the coming year. All positions declared vacant, an eerie hush will creep Through the body of the meeting as each member falls asleep The chairman speaking loudly and getting quite upset Will tell his unresponsive audience of commitments to be met Till at last in desperation he will hear a whispered name And the President just retiring will be elected once again I’ve been to many AGM’s and it always seems to me That the ones already busy are the ones that we will see Step up and take positions to maintain the status quo While the rest in sheer relief sit back and let them have a go Dear members if your society means something more to you Than just a social outing coming round each month or two Take a turn at working for the group, if only for a year You may find it to your liking, so step up and volunteer!

- To all members it has been decided at the committee meeting that at the coming Easter Show at Mt Coot-tha, there will be an area allocated to place your plants while the hall is been set up.

- Please bring plant for sale as you know this will only be a 2 days show. That allow you to spend Easter Sunday with your family.

- Please bring a plate of some thing such as cake or plate sandwich for the judge’s supper.

- The committee were suggesting that as the Books in library are not been used. The books will be available to members to take, at the Meeting and the ones not taken will be placed on the book stand at the Easter show for sale for a gold coin.

- On the 29th March we will be starting to set up for the show at 12.00 noon if any member that would like to help with the set up please come as any help will be welcomed if you have plant to show or sell there will be an area set up for holding Plants in the area to the side were we have our smoko so do not despair.

- Please keep on mind that the QOS is our society and it up to all of us to help not only for the show but also at the monthly meeting in such a way if we see someone that looks lost as new members go and say Hi to them so they feel welcome and enjoy the gathering. This could be done if some one would take the position of Host or Hostess.
September 2017 Update

I am writing to give further information about the exciting forthcoming 21st Australian Orchid Council Conference and Show - ‘Orchids in the Foothills’ to be held at the Hawkesbury Indoor Stadium, 16 Stewart St, South Windsor, Sydney, NSW.

Note that if you are driving using a GPS you need to enter Greenhills Way not Stewart St as the entrance driveway has been moved.

Register before year’s end
The Early Bird Registration remains open and we encourage members to take advantage of this attractive discount offer which will end on 31 December 2017.

Listen to our speakers
We have been busily arranging speakers, many of whom have not been heard in this country previously. While the entire list is not finalized, currently we have confirmed Tim Yam from Singapore, Fred Clarke from USA, Scott Tan, Greg Bryant, Clive Halls and Kevin Butler. We will update you as more are confirmed.

Expand your collection
We have a provisional list of vendors from Australia including Sim’s Orchids, Orchid Mart, Royale Orchids, Orchid Species Plus, Dark Star, Fong Ping Orchids, Rosella Orchids, Burbank Orchids, Tinonee Orchids, Alice’s Orchids, Woolf Orchidculture, Nicky’s Slippers, Ezi-Gro, Robertson Orchids, Johnston Orchids, MsN, Rolin Farms, Western Orchids/Laboratories, Kiwi Orchid Bark NSW and Orchids on Newbold. From overseas we have Orquides del Valle from Columbia, AWZ Orchids from Brazil, Tokyo Orchids, Ching Hua Orchids from Taiwan and Orchid Inn from USA. The last 3 we are expecting to bring plants as well as flasks. Naturally all the above are subject to change from unforeseen circumstances. Some vendors will have pre-quarantine within their own facilities and providing plants are clean on arrival, they will be sold without further restriction. Where vendors do not have this approval, vendors have a choice of quarantine prior to the conference or selling plants to then go into quarantine at a facility we have contracted for the conference.

Sponsorship opportunities
We are offering the opportunity for societies or individuals to sponsor champions or classes. Your name will be included in all promotional material and events. If you are interested, please contact us via the website.

Other attractions
Other highlights will be an exhibition of china decorated with orchids, orchid cake decorating by sugar flower specialists, and displays of artwork and needlework. We are also planning to have growing and painting competitions within some of the local schools exhibited at the Show.
GENERAL CONDITIONS
1. Entries are free and open to all members of Orchid Societies
2. Entries will be accepted from 2pm and shall be bench by 7pm and available for judging by 7.30 pm on the day of setup.
3. All persons not involved with the judging must leave the hall by 7.30 pm.
4. The Queensland Orchid Society Inc. or its agents will accept no responsibility for theft, loss, destruction of plants or damage of any kind occasioned to plants, either during transport to and from the show venue or while at the show venue. This includes all plants submitted for sale.
5. All exhibits and exhibitors shall conform to the Rules and By-laws of the Society.
6. The Show Marshal in conjunction with the Chief Steward shall have the right to refuse the exhibition of any plant, which in their opinion, appears diseased.
7. All plants entered shall be the property of the exhibitor. The plants must have been in the exhibitor's possession for the preceding six months.
8. Individual plants may be entered in only one class. All entries of plants shall be in show condition.
9. Exhibitors are responsible to see that all plants are correctly labelled with cards provided by the Society.
10. Although it is the responsibility of the exhibitor to enter the plant in the correct class and place it in a suitable position on the competitive bench, the Chief Steward has the right to determine the class in which any plant may be exhibited; to reject, remove or re-arrange any entry; to combine (less than three plants) and/or establish extra classes if needed.
11. A Novice shall mean any exhibitor who has not been classified other than a Novice by any Orchid Society. A QOS member may remain a Novice for up to two years from date of joining regardless of whether they have won a Novice section at a previous QOS Show. A Novice plant is eligible to be judged for any Champion Section.
12. Plants to be judged in accordance with AOC standards, however, QOS staking and tying rules apply as follows. - Staking and tying to support the inflorescence will be permitted. On all inflorescences, no staking or ties are allowed on or above the pedicle or ovary of the flower. On multi-flowered unbranched inflorescences, staking and ties are allowed up to but not above half way along that portion of the inflorescences carrying flowers and buds. On branched inflorescences, the main branch may be staked or tied up to but not above the uppermost branch. Parafilm or florist tape is not allowed as ties.
13. The judges shall select the winners of the Champion Awards from benched plants, OR by prior arrangement with the Show Marshal, nominated plants in displays.
14. The Grand Champion Orchid of the show shall be selected from the winners of the Class Champions.
15. The Reserve Champion Orchid of the show shall be selected from the remaining winners of the Class Champions plus the second-best orchid chosen from the class from which the Grand Champion Orchid was chosen.
16. The Judge's Decision Shall Be Final
17. No bloom may be removed from a plant, even though spent, or plants or blooms interfered with, without the permission of the Chief Steward or other Official appointed by him.
18. No plant shall be removed from the show until the termination of the show. Any plant removed shall cause the owner to forfeit any rights to the prize in that class. Withdrawal of a plant without permission may lead to the exhibitor’s disqualification at any future show.
19. Stealing of blooms or pollen may lead to the initiation of legal action.
20. Photographs may be taken at any time, but not at the inconvenience of the show patrons.
21. Members of any Orchid Society and Sponsors are entitled to sell plants, with those Members benching a minimum of 2 plants. A maximum of 40 non-flowering plants, unlimited flowering plants. QOS Members Only may offer 10 Foliage plants for sale.
22. Fire Ant Regulations must be adhered to.
23. The plant sales supervisor, or his representative, will have total authority to accept or reject any plant.
24. Acceptance of any Entry shall be Conditional on the Exhibitor Agreeing to be Bound by the Conditions set out Above.
